Letter from the President

The summer is going by so quickly - I hope everyone had a great one.

The 100th Calgary Stampede was very busy with their largest crowds ever and I think the hottest Stampede we have had in years. Thanks to all of our faithful volunteers for their time, horses and knowledge of the great Appaloosa Breed.

The National Show was a great success again this year, thanks to all the volunteers that made it so. I, unfortunately, (ha ha) was on a tour of China and missed the show this year. What a great and exciting trip it was although really hot. I never ate so much Chinese food in my life and got pretty good with the chop-sticks! The Great Wall, Temple of Heaven, Museums, 2008 Beijing Olympic site, Giant Panda Station, Terra Cotta Soldiers, Silk factory, Pearl factory - just to name a few of the spots we visited.

Thanks to Merv for working so hard on getting the points finished, certificates sent out, and arranging for the ApHCC AGM in N.S. this fall. I look forward to going east in November to the convention. We would like to thank the Sask. Appaloosa Club for their assistance of \$1000.00 towards our National Convention.

It has been a busy year for the BOD with having to deal with the selling of the ApHCC building. This was a hard decision to make but one that had to be addressed.

As the most important objective of the ApHCC is to continue to look after the membership, registration, transfers, and getting out a newsletter to the members, we will be renting a smaller space for the office to operate out of.

We will be offering for sale volumes of the old stud books to interested persons \$25.00 /set, please contact the ApHCC.

As many are aware - we now have to deal with the moving of the Appaloosa Museum.

There are many artifacts that have been put here on "loan" and will be returned to those persons, picked up or delivered, but at their expense. We are inquiring about moving (on loan) some of the artifacts to other museums until more permanent arrangements can be made. Any interested persons or help in any way is most welcome.

Thanking you in advance,
Donna Wyatt
